Forecast For The United Kingdom
Issued by Met Office Exeter
at 1600 on Sunday 17 Oct 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Mild and rather cloudy with rain or drizzle at times.

This Evening and Tonight:
Clear spells across southern and eastern England allowing some fog to form overnight, else rather cloudy with some light rain or drizzle in western and northern areas.

Monday:
Dry and bright in the east at first after early fog lifts from south-east England, but cloudier further north and west, with rain and drizzle moving east through the day.

Outlook for Tuesday to Thursday:
Unsettled with showers or longer spells of rain for many areas, heaviest in the west. Very mild at night and warm by day at first, but turning colder on Thursday.
